

FAMILY ENGAGEMENT EVENTS, 2022-23

In the spirit of our core tenet, “It Takes a Village”, we host a number of Family Engagement opportunities throughout the year. We encourage all families to participate and help us build a strong Sage Collegiate community. Additional events may be added through the year, and we will share information with families in updates. We encourage families to follow the school on social media; our handles on Facebook and Instagram are: SageCollegiate. Unless noted, all events are family friendly, and we encourage scholars to attend with their adults. Please reach out to Mallory Cyr, Community Engagement Manager, at mcyr@sagecollegiate.org with questions.
