

Title III: Title III Notification Letter

29 October 2023

Dear Parent or Guardian,

The purpose of this letter is to notify you about important information regarding your child's school regarding how Title III funding is used.

Per NRS 388.406 section 5, The board of trustees of each school district shall post annually on its Internet website information on the manner in which the school district uses money received pursuant to Title III of the Every Student Succeeds Act of 2015, 20 U.S.C. §§ 6812 et seq. Please review the information below regarding how Title III funds are used at our school.

School Specific Actions

Sage Collegiate using allocated Title III funding to:

- purchase more than 200 books in both English and Spanish to help with English Language Development
- support instructional development through teacher professional development
- engage with families through Cafecitos and family events

These funds, in addition to supporting our family engagement and PD efforts, ensure we have materials to share with families to better develop their understanding of the need to support their children. We'll be able to ensure materials at events are printed in both English and Spanish, and we'll be able to support in-person engagement with a Spanish speaker available to translate for families. These funds will be used exclusively to supplement existing funds/programs.

ELD instruction to students including: academic discourse, grammar and vocabulary language use in sociocultural contexts; and communication patterns in all language domains. Pull-out means that children are separated from mainstream classroom when needed for a reasonable length of time to receive ELD instruction. The purpose is to provide explicit language instruction designed to accelerate language acquisition.
